## Catering List & List of University Approved Bartenders

Updated November 16, 2009

*(We are currently revising this list, so please check often for updates)*

The following is an updated list of the University of Arizona approved Caterers and Bartenders.

### *Catering –*

This list accommodates those departments that have catering needs on or off campus, including those departments located in other areas, i.e. Phoenix. If you do not see a caterer on the list that you would like to use, please call our office for a copy of the Master Agreement for Catering Services, (520) 626-3919. If an authorized caterer is not used, payment for their services may be denied or withheld, this includes payment from the University of Arizona Foundation.

### *Here are some helpful hints when planning your event:*

- Any **ON CAMPUS** event where food will be served or purchased that exceeds \$500 please contact the Student Union (520) 621-1989.
- Any event **ON CAMPUS** (under \$500) where food will be delivered or picked up, i.e. pizza, sandwiches, you do not need to contact one of the approved Caterers, this is considered a drop/go service and does not meet the definition of Catering. **However, keep in mind that the TOTAL cost of food for your event cannot exceed \$500.**
- When scheduling your **ON CAMPUS** event please make sure the Caterer you use is authorized to come on campus.

### *Bartending –*

Alcoholic beverages must be served by a contractor who has a certificate of insurance on file with the University and agrees to be bound by the provisions of the Permit. The University does not recommend bartenders, but we can tell you who has approved insurance certificates on file with us. The purpose of this list is to provide to contact information of those bartenders who have a current certificate of insurance on file.

Bartenders are responsible for completing the appropriate information and complying with the instructions on the UA Alcohol Permit Application. In addition, departments who are using bartending services must obtain an original signature from the approved bartender on the application. Faxed signatures are not acceptable.

For additional information about bartending services please contact the:
