

Conflict of Interest Decision Definitions:

Substantial BID: All purchases of goods and/or services must be as a result of public *sealed* competitive bidding and the employee must refrain from the selection and negotiation process.

Substantial: University may purchase goods and/or services *without* public competitive bidding, but employee must refrain from the selection and negotiation process.

Remote: Competitive bidding not required, and there is no prohibition when doing business with the disclosed company (including employee participation in the selection and negotiation process).
