   Vendors are welcome to bid pricing off of any purchasing cooperative but the University is looking to obtain our own contract.

2. **Section 1.2: Can you tell us if you mean universities affiliated with AZ state only or is the assumption that this is wide open?**

   Other governmental entities within the State of Arizona, including the state Universities, are able to utilize this contract if the successful vendor allows them to.

3. **Section 4.42.2: Will you accept an opportunity to cure? 15 business days?**

   The University will consider changes to contract language only after entering into the contract phase with the awarded vendor.

**End of addendum, all else remains the same.**
