3.7.6 Pricing and/or Revenue Proposal. Vendors shall indicate pricing and/or revenue offers in the appropriate spaces and/or areas provided in this RFP. The University may accept or reject in part or entirely the vendor’s pricing and/or revenue offerings when such offerings are not on an all-or-none basis. Vendor’s pricing and/or revenue proposals may not be modified after the RFP Due date and time unless University at its sole discretion decides that future negotiations will only enhance the Vendor’s offer to University. Should University decide that such negotiations would not be in University’s best interests, pricing and revenue offer by Vendor at Due date and time may be considered by University as the Vendor’s best and final offer. Unless otherwise specifically proposed by the vendor, the University reserves the right to hold such pricing and/or revenue proposal as effective for the entire intended contract term. The University may prescribe the manner and method by which pricing and/or revenue offerings shall be communicated in the vendor’s proposal. For any material departure from this condition, vendors shall provide clear and unambiguous explanations how the departure relates in detail to the applicable sections within this RFP. If the vendor responds with an "All-or-None" proposal, it shall be clearly and unambiguously marked as such.

Such disqualification and/or cancellation shall be at no fault or liability whatsoever to the University.

3.7.12 **Improper Business Relationships / Conflict of Interest Prohibited.** In connection with this RFP, each vendor shall ensure that no improper, unethical, or illegal relationships or conflict of interest exists between or among the vendor, the University, and any other party to this RFP. The University reserves the right to determine the
materiality of such relationships, when discovered or disclosed, whether intended or not; and to decide whether or not vendor disqualification and/or cancellation of award shall result. Such disqualification and/or cancellation shall be at no fault or liability whatsoever to the University.

3.8.1 Proposal Costs. The University is not liable in any manner or to any extent for any cost or expense incurred by any vendor in the preparation, submission, presentation, or any other action connected with proposing or otherwise responding to this RFP. 3.8.7 University’s Right to Use Vendor’s Ideas / Proprietary Information. If the vendor needs to submit proprietary information with the proposal, the vendor shall ensure that
it is enclosed in a separate envelope from the proposal and that it is clearly designated and conspicuously labeled as such.

The University shall have the right to use any ideas that are contained in any proposal received in response to this RFP, along with any adaptation of such ideas. Selection or rejection of the proposal shall not affect the University’s right of use. Provided, however, that the University will, in good faith, honor any vendor information that is enclosed in a separate envelope from the proposal and clearly designated and conspicuously labeled as proprietary, and the University concurs that the information is proprietary. The envelope must also contain the reason(s) why the enclosed material is to be considered proprietary. Trade secrets or other proprietary data contained in the proposal documents shall be maintained as confidential in accordance with procedures promulgated by the Procurement Officer and subject to limitations in Arizona or Federal law. Pricing information cannot be considered proprietary or confidential. The University shall not be liable in any manner or in any amount for disclosing proprietary information if such information is not clearly so designated and conspicuously so labeled. The University shall likewise not be liable if it did not know or could not have reasonably known that such information was proprietary. At no time will the entire proposal be considered proprietary and be kept confidential.

3.9 EVALUATION PROCESS AND AWARD

3.9.1 Contractual Intent / Right to Terminate and Recommerce RFP Process. The University intends to contract with one or more vendors whose proposal(s) are considered to be in the best interests of the University. However, the University may terminate this RFP process at any time up to notice of award, without prior notice, and without liability of any kind or amount. Further, the University reserves the right to commence one or more subsequent RFP processes seeking the same or similar products or services covered hereunder.

3.9.2 Effective Period of Proposals. Under this RFP, the University shall hold that vendors’ responses to this RFP shall remain in effect for a period of ninety (90) days following the Due date, in order to allow time for evaluation, approval, and award of the contract. Any vendor who does not agree to this condition shall specifically communicate in its proposal such disagreement to the University, along with any proposed alternatives. The University may accept or reject such proposed alternatives without further notification or explanation.

3.9.3 Proposal Acceptance/Rejection. The University reserves the right to reject any or all proposals. Such rejection may be without prior notice and shall be without any liability of any kind or amount to the University. The University shall not accept any proposal that the University deems not to be in its best interests. The University shall reject proposals submitted after the Due date and time.

3.9.4 Errors and Omissions in Vendors Proposals. 3.9.5 Determination of and Information Concerning Vendor's Qualifications. The University reserves the right to determine whether a vendor has the ability, capacity, and resources necessary to perform in full any contract resulting from this RFP. The University may request from vendors information it deems necessary to evaluate such
vendors’ qualifications and capacities to deliver the products and/or services sought hereunder. The University may reject any vendor’s proposal for which such information has been requested but which the vendor has not provided. Such information may include but is not limited to:

- Disclosures of complaints or pending actions, legal or otherwise, against the vendor

3.9.6 Apparently Conflicting Information Obtained by Vendor. The University is under no obligation whatsoever to honor or observe any information that may apparently conflict with any provision herein, regardless of whether such information is obtained from any office, agent, or employee of the University. Such information shall not affect the vendor’s risks or obligations under a contract resulting from this RFP.

3.9.7 Rejection of Vendor Counter-offers, Stipulations and Other Exceptions. Any vendor exception, stipulation, counter-offer, requirement, and/or other alternative term or condition shall be considered rejected unless specifically accepted in writing by the University and thereafter incorporated into any contract resulting from this RFP.

3.9.8 Method of Award. Each response to this RFP will be reviewed for its overall competence, compliance, format, and organization. Proposals which the University deems overly complex, disorganized, or difficult to evaluate may be rejected in accordance with Section 3.7.10 of this RFP. The award shall be made to the responsive and responsible vendor whose proposal is determined to be the most advantageous to the University of Arizona, taking into consideration the following evaluation criteria listed in the relative descending order of importance. Pricing must be a criterion. However, the University is under no obligation whatsoever to select, as most responsive the proposal that demonstrates the lowest pricing.

**Evaluation Criteria**

- Ability to meet the April 2021 dates
- Type and Number of rides provided by successful vendor
- Financial Arrangement offered by successful vendor

also reserves the right to select the most responsive and responsible vendor or vendors without further discussion, negotiation, or prior notice. The University may presume that any proposal is a best-and-final offer.

3.9.10 Pre-Award Presentations. The University reserves the right to require presentations from the highest ranked vendors, in which they may be asked to provide information in addition to that provided in their proposals.

3.9.11 Pre-Award Negotiations. The University reserves the right to negotiate prior to award with the highest ranked vendors for purposes of addressing the matters set forth in the following list, which may not be exhaustive.

➢ Resolving minor differences and scrivener’s errors
➢ Clarifying necessary details and responsibilities
➢ Emphasizing important issues and points
➢ Receiving assurances from vendors
➢ Obtaining the lowest and best pricing and/or revenue agreement

3.9.12 Notification of Non-Selection. The University reserves the right not to notify vendors whose RFP responses are not selected for further consideration or notice of award. If the University decides to notify such vendors in writing, it will send the notifications to the address indicated in each such vendor's proposal. Once the award has been finalized, a notice of award may be posted on our website.

3.9.13 Vendor’s Need to Use Proprietary Rights of the University. All information proprietary to the University and disclosed by the University to any vendor shall be held in confidence by the vendor and shall be used only for purposes of the vendor’s performance under any contract resulting from this RFP.

3.9.14 Public Record. After the award and execution of a contract resulting from this RFP, vendors' proposals become public record and are available for review during the University's regular office hours. The University will, in good faith and to the extent allowed by law, honor any vendor information that is clearly designated and conspicuously labeled as proprietary, and the University agrees that the information is proprietary. If the vendor needs to submit proprietary information with the proposal, the vendor shall ensure that it is enclosed in a separate envelope from the proposal and that it is clearly designated and conspicuously labeled as such. The envelope must also contain the reason(s) why the enclosed material is to be considered proprietary. At no time shall the entire proposal be considered proprietary and be kept confidential. The University shall not be liable in any manner or in any amount for disclosing proprietary information if such information is not clearly so designated and conspicuously so labeled. The University shall likewise not be liable if it did not know or could not have reasonably known that such information was proprietary. Pricing information cannot be considered proprietary or confidential.

3.9.15 Certification. By signature on the “Proposal Certification” form included herein, the Vendor certifies that the submission of the proposal did not involve collusion or other anti-competitive practices. The Vendor has not given, offered to give, nor intends to give at any time hereafter any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, or service to a public servant in connection with the submitted proposal. In addition, Vendor certifies whether or not any employee of the University has, or has a relative who has, a substantial interest in any Agreement
that may result from this RFP. Vendor also certifies their status with regard to
debartment, or suspension by any Federal entity.

Failure to provide a valid signature affirming the stipulations required by this clause
shall result in the rejection of the submitted proposal and, if applicable, any resulting
Agreement. Signing the certification with a false statement shall void the proposal
and, if applicable, any resulting Agreement. Any resulting Agreement may be subject
to legal remedies provided by law. Vendor agrees to promote and offer to the
University only those services and/or materials as stated in and allowed for under
resulting Agreement(s).

4.0 AGREEMENT TERMS AND CONDITIONS
The following are the Terms and Conditions that will become part of any Agreement consummated
between the University and the Successful Vendor. In the event of a conflict between any
provisions contained in any of the documents governing this transaction, the following shall
be the order of precedence: Supplemental Agreement; Request for Proposals; Proposal.

4.1 Actions of Successful Vendor. The University is under no obligation whatsoever to be bound
by the actions of any Successful Vendor with respect to third parties. The Successful Vendor
is not a division or agent of the University.

4.2 Advertising. The Successful Vendor shall not advertise or publish information concerning the
Agreement without prior written consent of the University. The University shall not
unreasonably withhold permission.

4.3 Americans with Disabilities Act and Rehabilitation Act. The Successful Vendor will
comply with all applicable provisions of the Americans with Disabilities Act, the
Rehabilitation Act, and all applicable federal regulations.

All electronic and information technology and products and services to be used by University
faculty/staff, students, program participants, or other University constituencies must be
compliant with the Americans with Disabilities Act as amended and the Rehabilitation Act.
Compliance means that a disabled person can acquire the same information, engage in the
same interactions, and enjoy the same services as a nondisabled person, in an equally
effective and integrated manner, with substantially equivalent ease of use.

4.3.1 Electronic and Information Technology. Any acquisition considered electronic and
information technology (EIT) as defined by the Access Board at 36 CFR 1194.4 and in
the FAR at 2.101 must comply with Section 508 (36 CFR Part 1194) and, for web-based
applications, WCAG 2.0, Level AA Guidelines. In addition, the submission of a
completed Voluntary Product Accessibility Template (VPAT) is required so the
University of Arizona may ascertain conformance. Proposals or bids without a
completed VPAT may be disqualified from competition. The UA Guide to the VPAT and
the templates themselves are available to assist vendors in this process. See
information at http://itaccessibility.arizona.edu/guidelines/purchasing/vpat.

EIT is information technology (IT) and any equipment or interconnected system or
subsystem of equipment that is used in the creation, conversion, or duplication of data
or information. EIT includes, but is not limited to:

- telecommunication products, such as telephones;
- information kiosks and transaction machines;
- World Wide Web sites;
• software;
• multimedia (including videotapes); and
• office equipment, such as copiers and fax machines.

The University of Arizona reserves the right to perform real-world testing of a product or service to validate vendor claims regarding Section 508 conformance. To facilitate testing, the vendor will, upon request, provide the University with access to the product being considered for purchase for a period of at least 30 calendar days.
