Request for Proposals for Temporary Certified Union or Non-Union Craft Labor

ADDENDUM #1

Please mark all proposal submission Envelopes with the following information

Sealed RFP # L222102
Due on December 08, 2020 no later than 2:00 PM, MST
The following questions were received before the technical question/inquiry due date of November 28, 2020 at 12:00PM MST:

1. Prior to page 9 of the RFP, the document provided by the University refers to a Proposal. On page 9, it refers to a Bid. Are we correct that we are only responding to a Proposal request rather than a bid?

   - Yes this is a request for Proposal and not a request for bid.

2. In section 3.8.3, we are directed to furnish one digital copy to be uploaded. In Section 3.8.4, we are to ensure the original and each copy are individually bound. Are you asking for one digital copy uploaded and one hard copy version to be mailed, or only the digital copy?

   - One digital copy uploaded to the Box file link provided in the RFP will be fine. There is no need for vendors to mail any of their proposals.

3. The RFP indicates in section 5.7 that we need to provide people who have the experience found in the Job Descriptions attached. I was unable to find the referenced Job Descriptions in the RFP.

   Can you provide any job duties detail? And or your pay rates?
