Sealed RFB #L232103
Due on February 18, 2021 no later than 2:00 PM/MST
The following questions have been received by the technical question due date of February 9, 2021 by 12:00 PM/MST.

1. What is the actual start date?
   a. July 1, 2021

2. Is there a set schedule per week when you need your buses fueled up? For example, every Tuesday and Thursday? If there is no set schedule how are you going to notify your vendor/partner when fuel is needed (how much lead time do you provide)?
   a. Tuesday and Thursday.

3. Are your buses in use every week of the contract or are there times when you don't run them?
   a. Under a normal service schedule our diesel buses are assigned to operate anywhere from one (1) day a week to five (5) days a week (this varies). A one-day schedule is approximately thirteen (13) hours.

End of addendum, all else remains the same.
